Parish Finances and Mission

I was excited to get the financial report for the first six months of the year to y'all last week. Reports are still next to the bulletins. Just to restate here, for the six months of the year, we have run a deficit of (-\$23,376.35), and our current parish debt is -\$354,607.42.

You may wonder why I am so excited to report the fact that we are in debt and running a deficit. There are a couple of reasons for this. One is that we are a family of faith, and we are in this mission together and communication is important. Also, we can look at our finances in terms of how are we investing in the mission? Let's pray and discern so our finances and buildings can be used to serve the mission.

What is the mission that our finances and building use need to serve? What does Jesus tell us in the Gospel? "Go, therefore, and make disciples." (Mt 28:19) Let's use our finances to do just that, to build a community that is confident in making disciples, serving the poor, building a community that encounters Jesus again, and again and again, and invites others to share this encounter, building a community of missionary disciples that promotes discipleship formation so we can feel confident as missionary disciples, a missionary parish of black, white, and brown members, a missionary family that speaks English and Spanish. Let's use our finances and buildings for this!

PRAYER REMEMBRANCES: We will be making changes to our bulletin in the near future. One of those changes will be that the Prayer Remembrances listed in the bulletin, will now be in a book that will be placed in the Church. As you have prayer requests you may add them to the book at any time.
